

U.S.A. INC IS AT WAR AGAINST HUMANITY

WAKE UP AMERICA

TO THESE SELF-EVIDENT TRUTHS:

1	Our government has been Usurped by PRIVATE Corporations ("USA INC") Registered with Dun & Bradstreet & their PRIVATE Corporate Shareholders masquerading as "Public Servants"
2	These Government Imposters use our taxpayer owned buildings & their fraudulent Color of Law positions to invent void codes they call "laws" & fraudulent tribunals they call "courts" to Steal, Seize & Deprive our Unalienable Rights to steal the fruits of our labor: our family, property. liberty and lives.
3	We the People & our Human Rights are <u>Sovereign</u> to Man-Made Governments & Man Made "Codes."
4	No man or woman can Seize, Steal, Trespass or Usurp the Unalienable Rights of any other man or woman. This was codified in the affirmation by the U.S. Supreme Court below.
5	To the Contrary, Legitimate governments are established for the Primary Purpose to PROTECT, DEFEND & ENFORCE the Unalienable Rights of We the People.
6	Instead, U.S.A. INC Government Imposters run a Transglobal Child Sale, Human Traffic, Genocide & Murder-For-Hire Crime Syndicate they mask and pretend they can "legalize" by calling this criminal enterprise by false "protection sounding code words" like "child services" and "guardianship" (the "U.S.A. INC WAR AGAINST HUMANITY")

EVERYONE MUST WAKE UP TO THE ENORMITY OF THESE CRIMES

We have served a #WethePeopleWrit and #WethePeopleOrder on the U.S. Supreme Court commanding remedy to the Child Kidnap & Trafficking and Genocide/Murder-for-Hire Rackets run by our color of law government in the ruse of and by calling it "child services" and "guardianship"

We have demanded the return of our family, the nullification of their void codes and "orders" and massive reparation.

This is a deliberate criminal enterprise run by all government imposters in collusion. Their so-called "laws" are actually funding codes devised to steal & money-launder our Federal taxpayer funds to pay grifters & traffickers at the state level they call "child protection services" to kidnap our family members in the pretense of "protection." There is no remedy by the government imposters as these trafficking crimes syndicates are no doubt their biggest business.

The only remedy is by an army of We the People working together to stand on and take back our rights and expose and instruct remedy to this massive child and human traffic racket by U.S.A. INC.

Please provide the following to be added to our #WethePeopleOrder and our email updates:

1. Your case no (just the initial case that initiated this crime) Case # _____.
2. County and state; _____
3. Names of judges: _____.
4. Your email address: _____

Pl also bring other victims that you may know on board. No one should be fighting this cartel alone. The more victims we have who are united in remedy the better for everyone as that gives us more power and leverage. #WEKNOW WE SAY NO

“The very idea that one man may be compelled to hold his life, or the means of living, or any material right essential to the enjoyment of life, at the mere will of another is intolerable in any country where freedom prevails, as being the essence of slavery itself.”

YICK WO v. HOPKINS, 118 U.S. 356 (1886)
